

Staying "On Track" with DTP

Presented By

**Dulles Transit
Partners, LLC**

We've got the primes...all we need are DBEs specializing in any of the following:

Surveying * Demolition of Pavement Structures * Clearing & Grubbing *
Sediment & Erosion Control * Earthwork * Permanent & Temporary Fencing *
Storm Water Management * MOT * Rough Grading, Temporary Grading & Drainage *
Paving & Pavement Markings * MEP * Building Trades * Fire Suppression * Guide Rails

The Dulles Corridor Metrorail Project still has subcontracting opportunities. Don't miss your chance to network with DTP Acquisitions staff and the following invited prime contractors:

American Infrastructure
Anderson Company
Bay Electric Company
Cherry Hill Construction
Corman Construction
Facchina Construction Company
Flippo Construction
General Excavation
Lane Construction
The Matthews Group
