Airports Authority Offers Travel Tips for Thanksgiving Travelers

Thanksgiving travel this year at Ronald Reagan Washington National and Washington Dulles International Airports is expected to be busy during peak travel times.

"We expect that large crowds will be in our terminals this holiday season, and we want our customers to be prepared for this busy period. We anticipate the holiday rush will start November 16th and continue through November 26th. We advise travelers to come early and to visit our website for information that may be helpful to them before they leave home," said Airports Authority President and Chief Executive Officer James E. Bennett.

This year, the Airports Authority has prepared easy-to-print one-page information sheets for Reagan National and Dulles International Airports that passengers can bring with them on their trip. These tips are available on the Airports Authority website at www.mwaa.com/reagan and www.mwaa.com/dulles. Just click on "Travel Tips."

The Airports Authority offers these travel tips:

Call In Before Check-In: Call your airline's 800 number or visit the airline website to confirm your flight or to verify security regulations related to checked baggage. Consider printing your boarding pass at home or work. Weather can greatly affect flight schedules. You may also check the Airports Authority website at www.mwaa.com for airport information.

ARRIVE EARLY: Travelers are urged to arrive at the airport at least 1 ½ to 2 hours before domestic flights and 2 ½ to 3 hours before international flights to allow enough time for ground transportation, parking, luggage check-in and security screening. This is critical during the busy times, which are early in the morning, mid-afternoon and late afternoon, particularly during the period between November 16-26. Flights will be booked and it will be difficult to find room on later flights to get to your destination.

PARKING at Reagan National

Parking lots and garages will fill up the **week before** Thanksgiving at Reagan National with business travelers. Travelers who drive and park should visit the Airports Authority website www.mwaa.com for real-time information on parking availability or call 703-417-PARK (7275).

Take Metro: Travelers using Reagan National Airport find Metro a good alternative to driving. The Airports Authority also encourages Dulles passengers to consider taking Metro to the West Falls Church Station and connecting to the Washington Flyer Bus to Dulles.

Valet Parking is a new service at Reagan National. Call 703-417-1234 for reservations and a space will be available when you arrive. The Valet Parking lot is located across from Daily Parking Garage A with convenient door-to-door service from your car to the terminal.

PARKING at Dulles International

For parking information at Dulles, please call 703-572-4500 or visit www.mwaa.com/dulles. The Airports Authority now provides *Parking Locator Cards*. Find them in yellow boxes at the elevator areas in the garages and in the bus shelters in the economy lots. Take one to help you find your car when you return from your trip.

PAY & GO is available at Dulles to avoid waiting in lines at the parking exits. Drivers who park at Dulles Airport should take their parking ticket with them and use the Pay & Go Machines as they exit the Terminal building. Pay & Go Machines are located in the lower level of the Terminal near the east and west exit doors. Once the ticket is paid at the Pay & Go machine in the Terminal, drivers exit at the Pay & Go lanes with the paid ticket without having to stop at the cashier booth.

Valet Parking is available within the Hourly Parking Lot in front of the Main Terminal. No reservations necessary. Call 703-572-4540 for more information.
